

WARK / ST. PAUL'S SCHOLARSHIP

INFORMATION

The Wark/St. Paul's Scholarship Funds were established from money donated by the estate of the Honourable Senator David Wark, who was active in the political life of New Brunswick and the congregational life of St. Paul's, and from other donations to the church for the post-secondary education of its youth.

Scholarships may be awarded annually to a student enrolling or enrolled at the University of New Brunswick and other post-secondary institutions. The recipient(s), number of scholarships awarded, and their value (range \$200-\$500) will be determined by a Scholarship Committee consisting of a duly appointed member of St. Paul's Christian Education Committee and of its Board of Trustees who make its recommendation to the Council. Decisions regarding the awarding of any scholarship are final; in any year, there may be no scholarship awarded.

Where tuition has already been paid, the successful candidate may wish to contact the institution's finance department.
